Our Lady of Peace Academy, a leading all-girls private high school in San Diego, has offered an innovative learning environment for over 140 years. The rigorous academic program fosters critical thinking and supports both academic and personal growth.

OLP emphasizes academic excellence and social skills through research projects that link classroom learning with real-world applications. Students are encouraged to engage in experiments, discussions, and leadership roles, building self-confidence and responsibility.

Exclusively dedicated to girls, OLP provides a supportive environment for achieving dreams. The integrated STEM philosophy connects science, technology, engineering, and math, with over 10% of students enrolled in STEM courses. Technology is also integrated into the classroom experience, enhancing students' tech skills.
