San Diego Jewish Academy, founded in 1979, offers a high-quality education for students from kindergarten through 12th grade. With decades of experience, we focus on both academic excellence and cultural heritage, helping students develop critical thinking skills and strong values.

Our graduates attend prestigious universities like Princeton and Harvard and excel as distinguished alumni. We aim for holistic development, preparing students to succeed in a complex world and inspiring them to make a positive impact.

Our educational philosophy emphasizes faith, critical thinking, and personal growth. We challenge students academically and spiritually, encouraging them to explore their talents and interests. Our curriculum fosters a love of learning and is supported by a variety of extracurricular activities, including sports, arts, and community service. The 52-acre campus features state-of-the-art facilities, including advanced technology and a renovated SAT/ACT testing center. Our comprehensive programs and extracurriculars contribute to a 100% college acceptance rate, with many graduates receiving scholarships. San Diego Jewish Academy provides a transformative educational experience that prepares students for future success.
