ICOHS COLLEGE

The AI & Business Innovation Academy at ICOHS College in San Diego, California, is a Four-week immersive program where high school students improve their English skills while diving into AI, business, and leadership. Through hands-on AI projects, business simulations, and public speaking workshops, you'll develop real-world skills in a dynamic, technology-driven environment.

You'll learn from CEOs, startup founders, and industry experts, gaining insights into how AI is transforming business and innovation. Beyond academics, you'll explore San Diego, a city known for its tech scene, cultural attractions, and stunning coastline.

By the end of the program, you'll earn high school credit, receive a certificate, and get a letter of recommendation—boosting your college applications and future career prospects. Plus, you'll make new friends from around the world and build valuable leadership and networking skills for success in the modern world.

PROGRAM HIGHLIGHTS

1. HANDS-ON AI & BUSINESS LABS

Get real experience with AI-powered tools and business simulations! Learn how AI is changing industries like marketing, finance, and entrepreneurship—and see how companies use it to make big decisions.

2. PUBLIC SPEAKING & LEADERSHIP TRAINING

Gain confidence in speaking English in front of others! Through fun workshops, you'll practice leadership, persuasion, and public speaking, helping you stand out in school, college, and future careers.

3. EARN HIGH SCHOOL CREDIT & GET CERTIFIED

You'll walk away with one high school credit, plus a certificate and letter of recommendation—great additions to your college applications and future career plans!

4. CULTURAL & EDUCATIONAL EXPERIENCE

Discover San Diego's vibrant culture while expanding your knowledge! Explore the city's famous landmarks, tech hubs, and innovation centers, all while learning about AI, business, and leadership. Through interactive workshops and real-world experiences, you'll see how technology and entrepreneurship shape the world—and have fun along the way!
